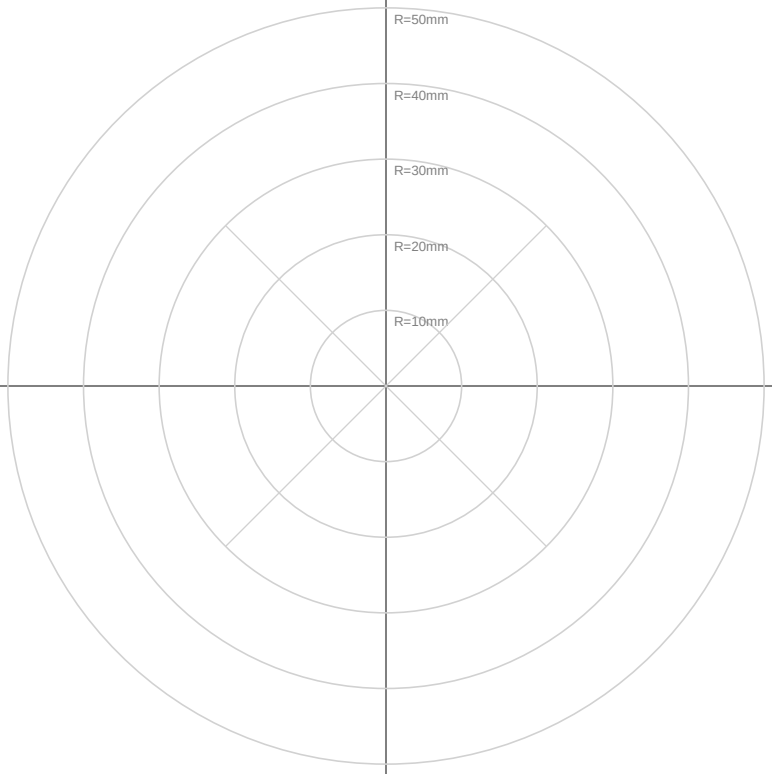
TOP-LEFT (5mm, 5mm)
X: 14.17 pt, Y: 827.72 pt

TOP-RIGHT (205mm, 5mm)
X: 581.11 pt, Y: 827.72 pt

A4 EXACT ALIGNMENT & 1:1 GEOMETRY CALIBRATION GRID

HP LaserJet 1020 / P1007 Anisotropic Scale Verification (Requirement R3)

1. Exact Document Physical Size: 210.00 mm x 297.00 mm (595.28 pt x 841.89 pt).
2. Laser Engine Geometry: 9920 dots horizontal (1200 DPI) x 7016 lines vertical (600 DPI).
3. Native Engine Aspect Ratio: 9920 / 7016 = 1.41391106.
4. Printable Boundary Limits: Width 9568 dots (202.5mm), Height 6848 lines (289.9mm).
5. Margin Verification Rule: Measure distance from physical edge to the solid outer black box.
   - Distance MUST be exactly 5.0 mm (+/- 0.2mm) on ALL four edges.
   - If top/bottom or left/right margins differ, aspect ratio compensation is distorted.



BOTTOM-LEFT (5mm, 292mm)
X: 14.17 pt, Y: 14.17 pt

BOTTOM-RIGHT (205mm, 292mm)
X: 581.11 pt, Y: 14.17 pt
